

Super Washdown Scales

SW Series

*Maximum Resistance to
Hostile Environments!*

IP69K

A&D ...Clearly a Better Value
A&D Company, Limited
<http://www.aandd.jp>

If you take the hygiene of your equipment seriously...

Maintaining hygienic facilities is imperative in the food-processing industry, and the sanitary requirements of governments and companies are becoming increasingly strict all around the world. The SW Series of IP69K-rated Super Washdown Scales is ideally constructed for heavy-duty cleaning with high-pressure (~ 10,000 kPa) and high-temperature (~ 85 °C) water, as well as for long-term use in harsh environments.

Withstands extremely damp environments

Load cell also protected at the IP69K level

Features

- *IP69K - the highest level of dust and water-proofing*
- *Ultimate protection against the effects of condensation*
- *Streamlined construction for easy cleaning of food-processing residues*
- *Stainless steel weighing pan, frame, and load cell**
- *Rugged and adjustable indicator bracket*
- *Capacitive keys for light touch operation*
- *Bright, multicolored LED display with 5-step comparator lamps*
- *Desktop/wall-mount stand available instead of the pole stand*
- *Optional rechargeable battery, RS-232C + comparator, and RS-422 / 485 available*

* Weighing pan = SUS 304
Frame = SUS 304
Load cell = SUS 630

Auto Power OFF

Rechargeable Battery

IP69K

The multicolored LED is highly visible and intuitive.

The capacitive keys prevent surface rupture from pressing with sharp objects and thereby ensure permanent waterproofing.

The desktop/wall-mount stand can be selected instead of the pole stand.

The bracket angle is adjustable to 0°, 30°, 60°, and 90°.

The pole stand can be set on the longitudinal side.

The streamlined construction is ideal for washdown applications.

Three pan sizes *(the base units are also available separately)*

Small
250 mm × 250 mm

Medium
300 mm × 380 mm

Large
390 mm × 530 mm

Options

OP-02 Sealed lead acid rechargeable battery
OP-03* RS-232C+comparator relay output
OP-04* RS-422/485
OP-09 Short pole stand (for SW-6KS/15KS)

OP-10 Long pole stand
OP-11 Desktop/wall-mount stand
 * OP-03 and OP-04 cannot be used at the same time.
 * The SW is not IP69K compliant with OP-03 or OP-04.

Specifications (base unit only)
